

CE241J

Rikkevoolukaitse 2P, 40A, 100mA, AC

Bränd: Hager

GTIN: 3250611616412

Rikkevoolukaitse 2P, 40A, 100mA, AC

ETIM-teave:

Number of poles	2
Tunnuspinge	230 V
Tunnusvool	40 A
Rated fault current	0.1 A
Isolatsiooni nimipinge Ui	500 V
Tunnus-impulsstaluvuspinge Uimp	4 kV
Mounting method	DIN rail
Leakage current type	AC
Selective protection	No
Short-time delayed tripping	No
Short-circuit breaking capacity (Icw)	6 kA
Surge current capacity	0.25 kA
Pinge liik	AC
With interlocking device	Yes
Frequency	50 Hz
Additional equipment possible	Yes
Degree of protection (IP)	IP20
Width in number of modular spacings	2
Sisseehitussügavus	70 mm
Ambient temperature during operating	-25 °C - 40 °C
Pollution degree	2
Connectable conductor cross section multi-wired	1 mm² - 16 mm²
Connectable conductor cross section solid-core	1 mm² - 25 mm²
Explosion-proof	No
