Krēslas slēdzis

### ETIM dati:

|                                                   |                |
|---------------------------------------------------|----------------|
| Rated voltage                                     | 230 V          |
| Rated frequency                                   | 50 Hz - 60 Hz  |
| Max. incandescent lamp load                       | 2300 W         |
| Max. load fluorescent lamp                        | 1000 VA        |
| Max. load fluorescent lamp (Duo circuit)          | 1000 VA        |
| Max. load fluorescent lamp (parallel compensated) | 1000 VA        |
| Max. switching current (cos phi = 0.6)            | 10 A           |
| Rated switch current                              | 10 A           |
| Adjustment range brightness value                 | 5 lx - 2000 lx |
| With programmable overnight shutoff               | No             |
| Push button input                                 | No             |
| Rated voltage light sensor                        | 230 V          |
| Max. conductor length light sensor                | 100 m          |
| Protection class light sensor                     | II             |
| Mounting method light sensor                      | Other          |
| Width in number of modular spacings               | 1              |
| Built-in depth                                    | 17.8 mm        |
| Degree of protection (IP) light sensor            | IP55           |
